Friends with Cameras at AirVenture

Every once in a while I am moved by the thoughtfulness of friends with cameras. Jerry Sorensen captured two really nice photos of our two airplanes at Oshkosh. The first is at the Vintage Airplane show line. The second is of our only formation departure from AirVenture. You will note that I am still a little sucked (behind) Stephanie due to the excessive drag caused by landing gear retraction which is almost complete. We got complements from Oshkosh Tower for our tight formation departure from runway 36. They got a

good look at us as we turned southeast over a C-17 transport at about 100 AGL. Jerry was kind enough to send us his great shots after we arrived home. Thank you Jerry for capturing these moments for us.

Chapter Awards Scholarship Winners

by Kevin T. Kelly, Scholarship Committee Chairman

The Paine Field Chapter of the Washington Pilots Association awarded scholarship funds to four very deserving recipients at the chapter's annual hangar party on September 9, 2016. The recipients are:

Kurt Mason Aviation Education Scholarship (\$1,000): Norman Montes De Oca

Norman was born in Honduras, and his family eventually moved to Redmond. He was a Civil Air Patrol Cadet before serving his country in the U.S. Army. Norman is working toward an Associate degree in Business, and plans to earn a Bachelor degree in Aeronautical Engineering, with the hope of working at Boeing after completion. He is working on his Private Pilot Certificate at Northway Aviation.

WPA Youth Aviation Scholarship Fund - In Memory of George Luck (\$1,000):

Chance Flanigan

Chance is currently a student at Big Bend Community College, where he is working on his Associate of Arts & Sciences, and is working on his Commercial Pilot Certificate and Instrument Rating. He plans to continue his studies at Central Washington University, and hopes to become a pilot in the United States Air Force. Chance's perseverance drew him to reapply for the scholarship after missing out last year.

Brett Bentley

Brett is a student at Westminster College in Salt Lake City, where he is working toward a Bachelor degree in Flight Operations. You may recognize his name as a past recipient of this award. He has earned his Private Pilot and Instrument Ratings, and is currently working on his Commercial Rating (he's already ahead of the typical aviation training schedule). Aside from this, he's minoring in Physics, and hopes to earn a Master's degree in Aeronautical Engineering.

WPA Youth Aviation Scholarship Fund (\$500)

Tara Hoefig

Tara is a Senior at Kentlake High School, as well as a student in the Green River College Running Start Program, and hopes to earn an Aviation Business degree. She took her first flight lesson at the age of 15 and has been hooked ever since. She is currently working toward her Private Pilot Certificate at Rainier Flight Service. We hope to see her continue on in her aviation pursuits. Tara also received a handheld transceiver, a headset, and a flight bag that were donated by a chapter member.

Many thanks go to this year's scholarship committee members: Lori Bell, Melanie Hancock, Amy Bellesheim, and Kevin Mason for their help in selecting this year's recipients from a total of 11 applicants.

You can help aspiring pilots, mechanics, and engineers by donating to the WPA's Youth Aviation Scholarship Fund. Donations through the fund are tax deductible. To donate, please go <http://www.wpaflys.org/membership/payment/donate/WPA-YASF.aspx>. Boeing employees may designate donations through the Employee Giving program.
